International Facility Management Association

Re: IFMA Central PA Chapter Scholarship Golf Tournament at Country Club Harrisburg, August 7, 2017

Dear IFMA Members and Suppliers,

A core mission of the International Facility Management Association is promoting education for the next generation of facility managers. To that end Central Pennsylvania's Chapter of IFMA is holding our annual golf tournament. As in past years, the proceeds of this event will go towards the IFMA Foundation Scholarship. This endowment assists students at the collegiate level in their pursuit of degrees in the facility management field. As we are all aware, higher education is an expensive venture and thus we seek to provide these students with as much support as possible.

In an effort to raise Funds for these scholarships, we are asking for your help.

The success of these tournaments has come from the generosity of Members, Non-Members and Suppliers like you. Whether in the form of donation, participation or sponsorship, we are seeking contributions from the Central PA community to nourish the educational aspirations of future facility managers. In addition to the primary goal of this event, it also serves as an excellent networking and marketing tool for building owners, plant operators, engineers, vendors, manufactures and suppliers. This event routinely hosts a wide cross section of individuals fulfilling a variety of roles within the Facility Services Industry.

If you are interested in participating please reach out to one of our Golf Committee members listed below.

We hope to see you at the tournament and together we can help make a greater difference than ever before to a deserving student in our Region.

Thank you,

John Selfe

Scholarship Tournament Chair IFMA Central Pennsylvania Chapter
